### **KMK Attorney to Lead ABA Program on "Raising The Bar-How Much Has the Supreme Court Changed the Landscape for Business Litigation?"**

**Kohner, Mann & Kailas Shareholder Robert L. Gegios will be moderating an important litigation program for in-house and outside counsel at the ABA Spring Meeting in Dallas, Texas on April 11, 2008.**

**Utilizing both discussion and mock argument, the distinguished faculty will explore and debate the implications of the United States Supreme Court's recent decision in *Bell Atlantic Corp. v. Twombly*. That decision overruled the fifty-year old settled rule on pleading standards established in *Conley v Gibson* and may have radically changed general pleading requirements.**

**The program will address how widely the new standards should be, and are being, applied and the many potential and unpredictable effects they may have on the selection, presentation, viability and defense of business claims in federal and state courts.**
